PROJECT (at regular meeting rescheduled from July 21 to July 14)

TO: THE RESIDENTS AND PROPERTY OWNERS OF THE SWAN LAKE IMPROVEMENT SPECIAL ASSESSMENT DISTRICT ENCOMPASSING ALL LOTS/PARCELS ABUTTING SWAN LAKE OR HAVING DEEDED ACCESS OR OTHER SPECIAL RIGHT OF ACCESS TO SWAN LAKE IN LAND SECTIONS 15, 16, 21, and 22 OF CHESHIRE TOWNSHIP, ALLEGAN COUNTY, MICHIGAN; AND ANY OTHER INTERESTED PERSONS:

PLEASE TAKE NOTICE the Supervisor/Assessing Officer of Cheshire Township has reported to the Township Board and filed in the office of the Township Clerk for public examination a proposed 2026-2035 special assessment roll/special assessment column in the regular tax roll pertaining to the allocation of the cost and expenses of the 2027-2036 improvement project within the Swan Lake Improvement Special Assessment District approved by the Township Board May 19, 2026.

A public hearing on any objections to the proposed special assessment roll will be held at the Cheshire Township Hall at 471 41st Street, Allegan, Michigan, in conjunction with a regular meeting of the Township Board on **Tuesday, July 14, 2026 commencing at 6:30 p.m (rescheduled from July 21, 2026).**

The proposed 2026-2035 special assessment roll proposes to allocate the cost and expenses of a lake improvement project in the approximate total amount of \$361,000 (including estimated legal and administrative expenses, and a contingency for cost overruns and other unanticipated expenses) to the various lots and parcels within the Swan Lake Improvement Special Assessment District over the ten-year project by an annual total special assessment levy of approximately \$36,100 in each of years 2026-2035. The special assessment levy is proposed to be allocated to the benefitted lots/parcels within the District pursuant to a uniform pro rata benefit unit of 1.0 for each lot/parcel abutting Swan Lake (with all contiguous lands abutting Swan Lake owned by the same record owner and either undeveloped or developed to be treated as a single benefit unit for special assessment purposes), and a uniform pro rata benefit unit of 0.5 for each lot/parcel with deeded or other special right of access to Swan Lake but not abutting Swan Lake, plus for three parcels an additional special assessment of 0.25 benefit unit per each mobile home or recreational vehicle site thereon, as specified in the next paragraph.

Based on the total calculated number of lots/parcels within the District (after eliminating contiguous lands owned by the same record owner) abutting Swan Lake (66

total benefit units), the total number of lots/parcels within the District with deeded or other special right of access to Swan Lake but not abutting Swan Lake (11.5 total benefit units), and the additional benefit units allocated to the three properties with mobile home and/or recreational vehicle sites (26.75 total benefit units), the total amount proposed to be specially assessed against each such lot/parcel in 2026-2035 is as follows:

- Subject to the third-fifth bullet points below, \$3,462.80 (payable in 10 equal annual installments of \$346.28/year levied in each of years 2026-2035) for each lot/parcel or portions thereof with frontage on Swan Lake (with all contiguous lots/parcels in the same ownership specially assessed as one benefit unit).
- \$1,731.60 (payable in 10 equal annual installments of \$173.16/year levied in each of years 2026-2035) for each backlot/parcel or portions thereof with deeded or other special right of access to Swan Lake pursuant to a dedicated outlot or other private access (with all contiguous lots/parcels in the same ownership specially assessed as one-half benefit unit).
- For parcel number 03-016-003-01(store abutting Swan Lake with 10 recreational vehicle/camping sites) an additional special assessment of \$8,657.00 (0.25 benefit unit per each of 10 recreational vehicle/camping sites), payable in 10 equal annual installments. The resulting total special assessment on this property, including the base special assessment of 1.0 benefit unit for a lot/parcel abutting Swan Lake, is \$1,211.98 levied in each of years 2026-2035.
- For parcel number 03-016-009-00 (campground abutting Swan Lake with 50 recreational vehicle/camping sites) an additional special assessment of \$43,285.00 (0.25 benefit unit per each of 50 recreational vehicle/camping sites), payable in 10 equal annual installments. The resulting total special assessment on this property, including the base special assessment of 1.0 benefit unit for a lot/parcel abutting Swan Lake, is \$4,674.78 levied in each of years 2026-2035.
- For parcel number 03-016-012-00: (mobile home park abutting Swan Lake with 47 mobile home sites) an additional special assessment of \$40,687.90 (0.25 benefit unit per each of 47 mobile home sites), payable in 10 equal annual

installments. The resulting total special assessment on this property, including the base special assessment of 1.0 benefit unit for a lot/parcel abutting Swan Lake, is \$4,415.07 levied in each of years 2026-2035.

These proposed special assessment amounts are subject to revision by the Township Board at the July 14, 2026 meeting. These proposed special assessment amounts are also subject to revision during the term of the ten-year special assessment roll due to property transactions, and are subject to annual redetermination if the actual costs of the yearly project or any administrative costs vary significantly from the estimated costs and contingency on which the proposed special assessment roll is premised. Any such annual redetermination/revised special assessments will be made by the Township Board at its regular meeting in July-November of any such year, as necessary, without further public hearing or notice except as may be required by law (if a cost increase exceeds the estimate by 10% or more) or as may be further determined by the Township Board; provided that the allocation of individual special assessments resulting from any such annual redetermination/revision shall be based on the same cost allocation method used for the 2026 special assessments. Unpaid special assessments will be subject to interest at a rate to be determined by the Township Board but not exceeding 8.0% per annum.

The proposed special assessment roll, and the project plans, estimate of costs, the boundaries of the Swan Lake Improvement Special Assessment District, and the Resolution of the Township Board directing the Supervisor/Assessing Officer of the Township to make the proposed special assessment roll, may be examined at the office of the Township Clerk and may further be examined at the public hearing.
